

EXPERIMENT | Make a Photo Book with Such Fun.

If you enjoy taking photos on your digital camera then here's a new idea for anyone who's comfortable with their mouse and keyboard. Known as Photo Books, they come in a range of formats from small, soft-cover books to larger, hard-cover, A4 size albums. And right now Such Fun invites any Mx reader to make their first, photo book online and save 10% off the introductory price.

Once you're into the software program (go to www.suchfun.com.au) it's easy to choose which style of book you want, including the number of pages. Then it's simply a matter of letting your creativity kick in as you select and place your photos onto the chosen background. You can even add text and check your work as you go, so you're always in control. The result is a completely personalized, great-looking album based on your photos and inspiration.

Once you've designed your masterpiece or brag book it's just a matter of payment and sending the order off for printing, with the book normally being delivered within 7 days to your chosen address.

It's simple, fun and a great way to turn your photos into a permanent keepsake to share with family and friends. And to save 10% off your first Photo Book just enter 'First Order' as your voucher and key in 14433 as your PIN code. Have fun!
