COMPACT PRINTER ALLOWS YOU TO MAKE A *BIG* IMPACT

The opportunities are endless
imagePROGRAF iPF6400SE

Everything about the imagePROGRAF iPF6400SE is designed to ensure that it fits into the smallest of spaces. A tiny footprint, complete front-loading system and output collected from the basket, the iPF6400SE is suitable for the cosiest of environments.

The iPF6400SE allows your business to bring your ideas to life, with ease.

Designed ultimately for poster printing, the iPF6400SE is packaged with our powerful PosterArtist Lite* software. A solution that allows you to, quickly and easily, produce a wide range of posters for various purposes, in four easy steps.

The iPF6400SE makes full use of Canon's unique LUCIA-EX ink system. An ink type with proven strengths in colour reproduction.

As well as the standard Cyan, Magenta, Yellow and Black configuration, the iPF6400SE utilises a Matte Black and a vibrant Red, to ensure your posters come to life. The ability to accurately reproduce clear text, and fine lines ensures the iPF6400SE is a versatile addition to your business.

The iPF6400SE will allow you to turn around your creative ideas in record time. You can create and replace your posters quickly and easily as many times as you want, with minimal cost. Always ensure your marketing remains relevant, fresh and always eye-catching.
